

## Super Low Profile Lift Table

### HL series

Closed height only 10mm, no ramp needed for pallet.

#### Features

- Achieve a super low closed height, eliminating the need for a pit installation
- European safety standards including EN1570:1999
- Remote power pack with pedestal and controls, protected to IP54
- Upper platform fitted with safety perimeter to prevent descent on contact with obstructions
- 24V control box with UP and DOWN buttons and emergency stop
- External power pack equipped with a relief valve against overloading
- Hose burst safety valve to stop the lift table lowering in case of hose breakage
- Removable lifting hooks to facilitate handling and installation of the lift table
- Mechanical safety checks for maintenance
